For Funding is Intesa Sanpaolo's fundraising platform for charitable projects promoted by selected nonprofit organizations (NPOs). For Funding is a donation-based platform, not an investment platform; therefore, this crowdfunding service is not subject to authorization or supervision by the Bank of Italy or Consob. The rules and protections provided by EU Regulation No. 1503/2020 on crowdfunding service providers do not apply to this service. For more information about the initiative, visit www.forfunding.it

Do you want to make an online donation to the project?

Go to forfunding.it, or scan this code with your smartphone.

Registration on the platform is required
You can receive a tax certification for your donation if the nonprofit organization meets the requirements for tax deductibility or credit.

On forfunding.it you can donate online directly using: Pago in Conto, My Bank, or Payment Card

Do you want to donate without registering on the platform?

To make a donation to the project without registering, you can make a bank transfer to the following account:

Beneficiary: **INTESA SANPAOLO S.P.A.**

IBAN: IT32T0306909606100000047402

Include the following in the payment reference: QUARNA

In this case, it will not be possible to issue a tax certification.

If you are a customer of the **Intesa Sanpaolo Group**, enter this code instead of the beneficiary when making the transfer: **09734** this way, you won't be charged any fees.
